

Teacher

Wolfsbane

She's coming over with her high heels on
Shiny and black thigh high so cool
I'm getting ready to be so cruel
To you

I got the straps and I got the rope
I got the cuffs two kinds of lube
I got the lights turned way down low
For you

Let me know when you're coming over
Gonna tell you what to do
Tied to the table and you're bending over
You are looking like a dream come true

Teacher! Teacher!
I know you
Ya not teaching me I'm teaching you
You rock me I rock you
Gonna tell you what to do
Teacher! Teacher!
Woo ah woo hoo hoo!

I text sex to bitch on heat
Hotmail, hotmail it's me
The filth can you show it all
For free

Let me know when you're coming over
Gonna tell you what to do
Tied to the table and you're bending over
You are looking like a dream come true

Teacher! Teacher!
I know you
Ya not teaching me I'm teaching you
You rock me I rock you
Gonna tell you what to do
Teacher! Teacher!
Woo ah woo hoo hoo!

You know me I know you
You know me I know you
You know me I know you
You're not teaching me I'm teaching you!

Let me know when you're coming over
Gonna tell you what to do
Tied to the table and you're bending over
You are looking like a dream come true

Teacher! Teacher!
I know you
Ya not teaching me I'm teaching you
You rock me I rock you
Gonna tell you what to do
Teacher! Teacher!

Woo ah woo hoo hoo!
