

## This is for Love

Wolfsheim

You've got to do it  
Do something right now  
There's no time for waiting anyhow!  
You've got to do it  
Everything went wrong  
Something has to happen  
Somewhat strong it has to be  
Something for everyone to see!  
This is for love this is for hate  
And there were never higher stakes  
You've got to do it right!

And you know just what to do  
We know you will  
And you know just what to do  
We'll love you still

And then you'll discover this is no dream  
Life is as real as it seems!  
And if someone says: they have to pay the toll!  
Don't believe it at all!
