Butterflies

Wolftyla

The feeling you give me hits home
Running all through my body
Butterflies fill up the room
Whenever you pull up on me

Don't know what to do, got me in the mood
Take my time, play it cool, but I got a thing for you

You can't build a bond like this one overnight
Hold my hand and pull me close so I know you're mine

Look at what you do to me
You got me up on my feet
I don't do this
I'm loving what you do to me
You know how to get through to me
Let's do this
Showing something new to me
Love me like a fantasy

Never had a love like this before so can't say goodnight

Can't lie, sometimes, I get caught up in my pride
This time, your vibe, it's hard for me to describe
Tryna find all the words to this feeling
In my hands are the cards that you're dealing
Never had a love like this before so can't say goodnight

You can't build a bond like this one overnight
Hold my hand and pull me close so I know you're mine

Look at what you do to me
You got me up on my feet
I don't do this
I'm loving what you do to me
You know how to get through to me
Let's do this
Showing something new to me
Love me like a fantasy

Never had a love like this before so can't say goodnight

You taking them selfies and you look so fine
You don't even post 'em, they just for my eyes
I'll give it all to you baby, that's no lie
That's on your life girl, cause your well being is
More important than my well being girl
I can't afford to lose you
I wouldn't know what to do girl

Not another lonely night
Cause when we're together ride or die

Never felt a love like this before so can't say goodnight

You can't build a bond like this one overnight
Hold my hand and pull me close so I know you're mine

Look at what you do to me
You got me up on my feet
I don't do this
I'm loving what you do to me
You know how to get through to me
Let's do this
Showing something new to me
Love me like a fantasy

Never had a love like this before so can't say goodnight

Can't say goodnight
Can't say goodnight
Can't say goodnight
Can't say goodnight
