

# Falling For Your Love

Wolftyla

I can't just go through the motions  
You're the one caught in emotions  
My tears run deep like the ocean  
I'm on the surface just floating  
You took my time and  
To think I wasted so much  
Took all my shine but  
See me glowing now  
I know you see me glowing now  
Too many days babe  
Not enough nights for me to keep...

Falling for your love  
Falling for you love  
Falling for your  
Falling for your love  
Falling for your love  
Falling for you love  
Falling for your love  
Falling for your

Too many days babe  
Not enough nights for me to keep

Falling for your love  
Falling for your love

See, I wasn't focused  
Too caught up in your tricks  
And you never noticed  
But you broke me down so I built up a fortress  
'Cause you couldn't keep it together  
I thought it would be forever

You took my time and  
To think I wasted so much  
Took all my shine but  
See me glowing now  
I know you see me glowing now  
Too many days babe  
Not enough nights for me to keep

Falling for your love  
Falling for you love  
Falling for your  
Falling for your love  
Falling for your love  
Falling for you love  
Falling for you love  
Falling for your

Too many days babe  
Not enough nights for me to keep

Falling for your love  
Falling for your love  
Falling for your
