

# Trust Fall

Wolftyla

I promise to honor my feelings in this moment  
I'll give you my focus  
I won't let you down  
When you're in deep  
Taught you how to forgive  
Blame it on me  
Cause I  
I'm tired of going through it  
I need someone to trust in this life  
We don't gotta rush  
We got time

So I'll share this moment with you  
I'll sacrifice  
We got soul ties

So if I trust fall  
Trust fall  
Into you  
Would you accept me for who I am?  
So if I trust fall  
Trust fall  
Into you  
Would you accept me for who I am?  
How could I make you understand me?

Cause the more  
I fall  
I fall  
I lose myself in you  
I can't even save myself  
If I ever lose you  
Who do I call if you abandon me?  
Cause you're selfish with your time  
I try to control my fear when it comes to  
You and I  
Every time I fall in love I  
I lose my pretty wings

So if I trust fall  
Trust fall  
Would you catch me if I fall?  
If I trust fall  
Trust fall  
Would you catch me if I fall?
