

I'm in love with you
Everything you do
Is irresistible
Boy I've been wishing for you

I could be the one that makes your dreams come true
Just tell me that you want me and I'm right there with you
Let's not play no games 'cause you know you'll lose
Just slide on me
Just slide on me
Just slide on me

I like
Like what you do
Do do do do do
I like
While we're still young

I'm in love with you
Everything you do
Is irresistible
Boy I've been wishing for you
I'm in love with you
Everything you do
Is irresistible
Boy I've been wishing for you
(Wishing for you)

Just me and you
Just me and you
(I wish I wish I wish I wish)
Just me and you
Just me and you
(I wish I wish I wish I wish)
Just me and you
Just me and you
(I wish I wish I wish I wish)
(I wish I wish I wish I wish)

I could be the one that makes your dreams come true
Just tell me that you want me and I'm right there with you
Right there with you
Right there with you
Right there with you
Right there with you
Right there with you
Right there with you
