

## Machina

## Wolverine

Wide awake I am  
Endlessly drifting  
Weightless... heavily

This world all you are  
Arrested conformity  
Turning endlessly

I watch myself travel by  
All we are has never been  
Cycles everything

Trivial mind, escaping time  
Fighting for a definite end  
Conform me again

I am you...  
I am you...  
I am you...  
I am you...

Back inside the wheel in time  
Never to revert outside... Externally

Back inside the wheel in time  
Never to revert outside... Externally

There's no way out  
This spiral of monotony  
You cannot deny me  
Because I am you
