

Attack

Wolves At The Gate

I won't suffer, be broken, get tired, or wasted
Surrender to nothing, or give up what I
Started and stopped it, from end to beginning
A new day is coming, and I am finally free

Run away, run away, I'll attack
Run away, run away, go chase yourself
Run away, run away, now I'll attack
I'll attack, I'll a...

I would've kept you, forever, but we had to sever
It ended for both of us, faster than a
Kill off this thinking, it's starting to sink in
I'm losing control now, but without you I can finally see

Run away, run away, I'll attack
Run away, run away, go chase yourself
Run away, run away, now I'll attack
I'll attack, I'll a...

Your promises, they look like lies
Your honesty, like a back that hides a knife
I promise you (promise you)
I promise you (promise you)
And I am finally free

Run away, run away, I'll attack
Run away, run away, go chase yourself
Run away, run away, now I'll attack
I'll attack, I'll attack, I will attack

Run away, I'll attack, I will attack
Run away, I'll attack, I will attack
Run away, run away, now I'll attack
I'll attack, I'll a...

Your promises (promises, promises, promise)
I promise you
I promise you (promise you, promise you, promise you)
