

Give Me Just

Woodie Smalls

Like a movie I can switch the hoes I'm with
Smokin reefa watch it boost my confidence
Regulator that's the nigga I'm always with
Used to hop on the bus it's no nigga I trust
I got used to pain on my sleeve
I'm in Switzerland
And if you tryna see the kid
You got to pay my friend
Lil nigga imma cake up
I get straight to the paper
Mix in purple and soda like the lakers
And when I'm poppin these meds I'm not stable
When I'm dodgin these hoes it's like the matrix
You be cuffing a thot that look basic
On the south side runnin let the cash out
Hit that lil bitch fuck her mask off
If a nigga pullin up than we spazz out
If a nigga really want it we gon air it out

See all of this shit gotta stack up this shit
Gimme just brand new bih
Iced out coupe and a iced out wrist
And theses hoes gone fuck cuz they on my dick
See all of this shit gotta stack up this shit
Gimme just brand new bih
Iced out coupe and a iced out wrist
And theses hoes gone fuck cuz they on my dick nigga

Tell that nigga hit me up and We gon bless him
We gon rip a nigga up in a second
See I'm al about money and my pesos
She gon hop on here knees if I say so
Twistin up weed in designer huh
I just might fuck on yo momma yuh
We just might pull up with lamas huh
These niggas don't want no drama yuh
Water whippin I got drip on me
Bad bitch let me poke it please
And we flexed up got this guap on me
Hit that lil bih real smove yeah
Young nigga ridin with a tool yeah
Follow my shit like news uh
Need twenty five racks and I'm pourin up
Got bitches comin at me like I'm Starbucks

Iced out coupe and a iced out wrist
And theses hoes gone fuck cuz they on my dick
See all of this shit gotta stack up this shit

Iced out coupe and a iced out wrist
And theses hoes gone fuck cuz they on my dick nigga
