

Whoopie Ti-Yi-Yo, Get Along Little Dogies

Woody Guthrie

Oh, little dogies
It's your misfortune and none of my own
Whoop-ee-ti-yi-o get along little dogies
You know that Wyoming will be your new home

That cattle trail's rough and a hard road to travel
That old Jack O' Diamonds is a hard card to play
Get along, get along, get along little dogies
Get along little dogies and be on your way

Whoop-ee-ti-yi-o get along little dogies
It's your misfortune and none of my own
Whoop-ee-ti-yi-o get along little dogies
You know that Wyoming will be your new home

Some boys have hit this old cow trail for pleasure
But that's where they get it most awfully wrong
I wish I could tell you the troubles they give us
As we go rolling these dogies along

Whoop-ee-ti-yi-o get along little dogies
It's your misfortune and none of my own
Whoop-ee-ti-yi-o get along little dogies
You know that Wyoming will be your new home
