

# Before We Die

Woosung

We came from somewhere far away  
Where no one can explain  
It's in our minds

Release the things you think you need  
The power and the greed  
It's all a lie

Push it off  
Push it down  
Don't you ever think that you can't wear the crown  
Wish it all

Push it off  
Push it down  
Don't you ever sell your soul for future nows  
Before we die

Before we die  
Before we die  
Before we die  
Before we die  
Before we die

I can't tell you what to do  
A million point of views  
Whatever it doesn't really matter in the end

When they call you out in the darkest hour  
Did you know that you can turn it down?

Push it off  
Push it down  
Don't you ever think that you can't wear the crown  
Wish it all

Push it off  
Push it down  
Don't you ever sell your soul for future nows  
Before we die

Before we die  
Before we die  
Before we die  
Before we die  
Before we die  
Before we die

When they call  
Did you know?  
When they call  
Did you know?
