

# No Strings Attached

Woosung

No strings attached  
With you I don't feel caught up  
'Cause no strings attached  
You make me feel more honest  
We're the perfect match  
Can it be forever with no strings attached?

I don't care what they say  
Love has its ups and downs  
Can it get more cliché  
From what we know till now?  
I want your body, body, body, body, body  
I want nobody body, body, body, body, yeah

I wanna dance with you and somebody  
Can I just go dance with anybody?  
Girl you can dance with Johnny Tommy  
Maybe we can dance with everybody

Cut it loose  
Ooh-ooh, Ooh-ooh, Ooh-ooh, Ooh-ooh  
Cut it loose  
Ooh-ooh, Ooh-ooh, Ooh-ooh, Ooh-ooh  
Cut it loose

No strings attached  
You show me your true colors  
'Cause no strings attached  
I won't make no judgements we don't need to clash  
Can it be forever with no strings attached?

I don't care what they say  
Love has its ups and downs  
Can it get more cliché  
From what we know till now?  
I want your body, body, body, body, body  
I want nobody body, body, body, body, yeah

I wanna dance with you and somebody  
Can I just go dance with anybody?  
Girl you can dance with Johnny Tommy  
Maybe we can dance with everybody

Cut it loose  
Ooh-ooh, Ooh-ooh, Ooh-ooh, Ooh-ooh  
Cut it loose  
Ooh-ooh, Ooh-ooh, Ooh-ooh, Ooh-ooh  
Cut it loose

Don't hesitate to call me out  
I'll tell you no if I can't come through  
Oh no, I'm not trippin', missin'  
You know why  
Just go enjoy night sky

A-L-O-N-E  
That's what I like to be

D-A-N-C-E  
No need for jealousy  
A-L-O-N-E  
That's why you're calling me  
Oh, oh, oh

I wanna dance with you and somebody  
Can I just go dance with anybody?  
Girl you can dance with Johnny Tommy  
Maybe we can dance with everybody  
Cut it loose
