

Oh

Woosung

Oh watch me to say hello  
To many problems in my life  
Watch me go through fire on my own  
Oh when I go down low  
I know you're laughing your ass off  
Feelin' a little better about yourself

Can I help you out?  
Do I make you smile?  
Oh-oh, don't act like you own me now  
While you sit and watch  
Look at me go up  
Oh-oh, how funny life can be

Oh lie, lie, lie ppeonhan geojinmal  
Oh bye, bye, bye only twenty six  
Oh lie, lie, lie gwaenchantaneun mal  
Oh why, why, why did I care so much  
All I got

Did I help you out?  
Do I make you smile?  
Oh-oh, don't act like you own me now  
While you sit and watch  
Look at me go up  
Oh-oh, how funny life can be

Oh lie, lie, lie ppeonhan geojinmal
