

# Phase Me

Woosung

It don't phase me  
The thought of you out getting wasted  
Calling somebody else baby  
I don't need your love anymore, mm  
Why you chase me?  
Now that I'm over you lately  
And I wouldn't mind if you erase me  
I don't need your love anymore

Used to breathe you, see you in my dreams  
Now I wake up, you don't cut as deep  
You can try and cry and kick and scream

It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
All, all, all-oh-woah

Do you miss it?  
I was all in and committed  
Thought you would change but you didn't  
And it doesn't hurt like before, uh, mm

Used to breathe you, see you in my dreams  
Now I wake up, you don't cut as deep  
You can try and cry and kick and scream

It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
All, all, all-oh-woah  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
Hm-mm-mm, hm-mm-mm  
It just don't phase me at all  
All, all, all-oh-woah  
It just don't phase me at all
