

WOLF

Woosung

Boreumdal araeseo
Heobeokjireul kkojipgo
Chamaya haneun geoya No

Yeope nuweoinneun
Saljjak bichweojineun
Neol eotteoke haeya dwae

WOLF

WOLF

Under the blooming MOON
Neoye son butjapgo
We can take it slow if you want, no

Yeope nuweoinneun
Hwaljjak unneun neoreul
Nan eotteoke haeya dwae

WOLF

WOLF

Under the full moon
I pinch my thigh
And have to endure it, no

You who is lying beside me
And slightly shining
What should I do

WOLF

WOLF

Under the blooming MOON
Holding your hands tight
We can take it slow if you want, no

You who is lying beside me
And smiling so brightly
What should I do
