

# Kanye Cares

Wordsplayed

Yeah I seen you in LA  
On a floating stage  
You played all the hits  
And then you let us rage  
I bought all the merch  
Hats and the shirts  
It says Saint Pablo I wore it to my church  
I wear it to my school  
They say he's a fool  
I said that can't be true  
Man he made Adidas cool uh-huh  
You beat 50 when you dropped the same day  
You flew to Italy and married Kim K  
Rapper, designer, Chicago southsider  
Husband, father, paparazzi fighter  
Diamonds in the sky if you feel the vibe  
I ain't talking Cali when I say I'm on the West side
