

# Got To Be Strong

## Worlds Apart

We've Got To Be Strong Parole:  
We've got to be strong  
And know that we tried  
We've got to have angels on our side

You know that this time apart  
I'm thinking about you baby  
It really, really breaks my heart  
I know every now and then  
We have our troubled times  
But we always seem to start again  
I don't want to know the reasons  
I don't need to know the reasons why  
We have so much to believe in

We've got to be strong  
We've got to be sure  
We've got to give everything and more  
We've got to hold on  
And know that we've tried  
We've got to have angels on our side

'Cos I don't want to be here alone  
I don't want to be here  
We've got to be strong

How long can we carry on  
Living from day to day is it always gonna be this way  
This time we're gonna work it out  
And you know we should  
This time it's gonna be for good  
I don't want to know the reasons  
I don't need to know the reasons why  
We have so much to believe in

We've got to be strong  
We've got to be sure  
We've got to give everything and more  
We've got to hold on  
And know that we've tried  
We've got to have angels on our side

'Cos living apart is so wrong  
It's breaking my heart  
How long can we carry on  
We've got to work it out babe  
We've got to be strong  
It really, really breaks my heart  
Every day that we're apart  
We've got to hold on  
I'll give you everything and more  
I was wrong but now I'm sure  
We've got to be strong  
We've got to give everything and more  
It really really breaks my heart

How long can we carry on

Living from day to day is it always gonna be this way  
This time we're gonna work it out  
And you know we should  
This time it's gonna be for good  
I don't want to know the reasons  
I don't need to know the reasons why  
We have so much to believe in

'Cos living apart is so wrong  
It's breaking my heart  
How long can we carry on  
We've got to work it out babe  
We've got to be strong  
It really, really breaks my heart  
Every day that we're apart  
We've got to hold on  
I'll give you everything and more

I was wrong but now I'm sure  
We've got to be strong  
We've got to give everything and more  
It really really braks my heart
