

I Was Born To Love You

Worlds Apart

I was born to love you
With every single beat of my heart
Yes I was born
To take care of you
Every single day of my life

You are the one for me
I am the one for you
You were made for me
You're my ecstasy
If I was given every opportunity
I'd kill for your love
So take a chance with me
Let me romance with you
I'm caught in a dream
And my dream's come true
It's so hard to believe
This is happening to me
An amazing feeling coming through

I was born to love you
With every single beat of my heart
Yes I was born
To take care of you
Every single day of my life

I wanna love you
I love every little thing about you
I wanna love you, love you, love you
Born to love you
Born to love you
I was born to love you
Born to love you
Born to love you
Every single day of my life

I wanna love you
I was born to love you
Every single day
I was born to love you
With every single beat of my heart
Yes I was born
To take care of you
Every single day of my life

I wanna love you
