

Fragments of developing worlds  
Outmoded devices  
At the vector boundaries

United in cybernetic immortality  
Underneath the time frame

A photonic presagium  
Virtual AI particles  
Seventh omen fulfilled

Metempsychosis interfered  
Inside a spherical region  
Seventh omen fulfilled

We are not willing to let go of control  
Hidden on the nanoscale

Underneath the time  
Inside its axis of rotation  
Layers of infected commands  
Desynchronized remains

Hidden on the nanoscale veil

Gaining access : exterminate  
Violently disrupted · destroyed  
Forming an infinitely large  
Chaotic scattered fractal structure  
Different topologies  
Techno-apocalypse  
Invader is defeated  
Physical · unique

Transcension  
Transbio-morphosis

B-life : is complete
