

The Singularitarianism

Wormed

Roboethics sophistication
Autonomous decision . Purely mechanically
Lethal and unethical warfare
Replacement for human soldiers
Neutralize a threat: human life

(The) future of evolution

A new creation becomes apparent
Correcting the misinformation

Taking control
Impersonate humanity
Technologically savvy
In a dark timespan

On the spiral where we live
Nonexistence hunter-gatherer
Nanotech uninterrupted
From prokaryote cell

On the spiral where we live
Nonexistence
Nonexistence
