Ride That Sunbeam

Wouter Hamel

If you're truly in love with him Follow your dream Ride that sunbeam

Till you find what you're missing You're bittersweet years It's time to dry those tears

Life will happen the way that it should Let your feelings guide you

Don't settle for less
Just aim for success
And love just might find you

If you put your mind to it
No hilltop to see
No ocean too deap
So just talk to me when you're alone and you're blue
Love will find you

Fate always works in mysterious ways Your path may be full of surprises Don't settle for less Just aim for success And love just might find you

So just put on a smile
When you're feeling alone
Don't sit and moan
And just talk to me when you're alone and you're blue
Love will find you
