

## back to back

Wrabel

See that sunrise up the wall  
I been sleeping with my back to you  
Darling, from this point of view  
What's the point of coming back to you

Something's changed  
Maybe it's me, maybe it's you, maybe it's nothing  
I don't blame you  
What do I say, what do I do, I've gotta do something

What is love, what is love, what is love?  
Why do I feel like I'm never enough  
That ain't love, that ain't love  
We been through too much and just give up

Babe, I feel so far away from you  
When we're sleeping back to back

You've been talking in your sleep  
Saying things you'd never say to me  
And all those things, they might be true  
'Cause I been sleeping with my back to you

Something's changed  
Maybe it's me, maybe it's you, maybe it's nothing  
I don't blame you  
What do I say, what do I do, I've gotta do something

What is love, what is love, what is love?  
Why do I feel like I'm never enough  
That ain't love, that ain't love  
We been through too much and just give up

Something's changed  
Maybe it's me, maybe it's you, maybe it's nothing  
I don't blame you, no  
What do I say, what do I do, I've gotta do something

What is love, what is love, what is love?  
Why do I feel like I'm never enough  
That ain't love, that ain't love  
We been through too much and just give up

What is love, what is love, what is love?  
Why do I feel like I'm never enough  
That ain't love, that ain't love  
Oh, that ain't love

Babe, I feel so far away from you  
When we're sleeping back to back
