

beautiful day

Wrabel

Do you ever feel like the daylight is too bright?
Like it doesn't quite match how you feel inside
And everyone else is perfectly alright
Maybe that's why I'm staying out all night

You made me this way
Left me on a beautiful day
You made me this way
Left me on a beautiful afternoon

Do you ever feel like the daylight is too bright?
Like it doesn't quite match how you feel inside
And everyone else is perfectly alright
Maybe that's why I'm staying out all night

You made me this way
Left me on a beautiful day
You made me this way
Left me on a beautiful afternoon
