Wrabel

I sing your love just like a song
It's sweet like sugar
I wanna play it on and on
It's sweet like sugar

Through my eyes, take you in
Angel form, human skin
I'd forsake any view just to look at you

I've loved you for so long
Could I love you till it's all gone
I'll give you my whole life
Could I love you to the white light
And on
And on
And on

And on
And on
And on

I sing your love just like a song
It's sweet like sugar
I wanna play it on and on
It's sweet like sugar

Through my eyes, take you in
Angel form, human skin
I'd forsake any view just to look at you

I've loved you for so long
Could I love you till it's all gone
I'll give you my whole life
Could I love you to the white light
And on
And on
And on

And on
And on
And on

I've loved you for so long
Could I love you till it's all gone
I'll give you my whole life
Could I love you to the white light
And on
And on
And on

And on
And on
And on
