

I been all alone and thinking you should know  
That even if you go the world moves on  
Pick yourself an alias it's alien to you but the world sings ne  
w songs  
Catch a falling star I'll be by the bar working on my next two  
wrongs  
Finding somebody that's gets me huh  
Ready and spreading to sex too long  
Turning to divorce I been falling off the course this year  
Better develop a force to fear  
I'm at the end of an awful era  
Tired of the Playing nice guy why I'm Micheal Cera  
In This here Spiteful Terra I need to be a rifle bearer

Losing all my minds here to steal yours  
I'm a do fine see this c4  
I'm a move chameleon  
Underneath it all I'm a reptilian  
With a middle man getting me really strung  
Here to make me at least a million  
I'm a cool collect character  
Would you respect that of a  
Two tone tech amateur  
Firing back at ya upping the caliber  
Check my calendar and you will see I'm Excalibur  
Swat down all challengers I'm up the ladderer maddest of hatter  
ers

It's real  
Feel my Galil  
Feel my Galil  
Feel my Galil  
Feel my
