

# Oakland

Wrekonize

I've been thinkin' about us lately  
Relationships they float in many ways  
The distance never seemed so crazy  
It's just the way the cards had to be played  
I played my hand you played your hand  
A father had to be a man, a son just wanted to be loved again  
And I do think about it daily  
The way we were back then, no

I've been runnin' 'round for a minute  
Been growin' my own soul  
Been lookin' up at an image  
I never could control  
Been pushin' things to the limit  
I think I might implode  
It ain't got to be this different  
We could pick it up and just go, yeah!  
I know this world is takin' you  
To a place you ain't approve, well  
I was just hoping  
That we could take it back a few  
And do the things we used to do  
I'm sayin' let's go back to Oakland  
You've been underneath the mood  
Everything you see is blue  
I just want to take it down to Oakland  
I know that what I saw in you  
Had a vibe, it had a groove  
And I just want to go back to Oakland

And it felt so nice  
What kind of paradise is hidden in this concrete?  
I was a child but I was old enough to know that  
Cali air brought you some peace  
And I remember it, I remember it  
Like it was yesterday  
It was a simple time, a simple place  
It seemed since then things have got complicated

I've been runnin' 'round for a minute  
Been growin' my own soul  
Been lookin' up at an image  
I never could control  
Been pushin' things to the limit  
I think I might implode  
It ain't got to be this different  
We could pick it up and just go, yeah!  
I know this world is takin' you  
To a place you ain't approve, well  
I was just hoping  
That we could take it back a few  
And do the things we used to do  
I'm sayin' let's go back to Oakland  
You've been underneath the mood  
Everything you see is blue  
I just want to take it down to Oakland  
I know that what I saw in you

Had a vibe, it had a groove  
And I just want to go back to Oakland

I seen you regularly then, yeah  
I seen you regularly then, yeah yeah yeah  
I seen you regularly then  
We were regular then  
We were regular, we were, we were, we were...  
We, we, we should go back to Oakland
