

# Who's The Man

Wrekonize

Ladies and gentlemen. If you don't know by now, you probably shouldn't know at all. Yo Spinna...who's the man?

"Who is the man?"

"Who is the man?"

I'm The man

Like Baldhead Slick and Jeru

They tried to put me down but from hunger I came through

The man eating animal, gorilla with the mandolin

My jungle's tore down, but hey, what state's the planet in?

I slam the streets with speech of manaconda

They'd have to drive the street alone, no one to man the genre

Meanwhile, rappers endorse more than they spit raps

And act surprised when they get He-Man bitch slapped

Huh

But I ain't listenin' to the shenanigans

Sometimes it ain't the man, its the label, its the management

Or

Even there's people that drive a rapper to ramblin'

Rap gets frozen in stores just like a mannequin

Man handle your mandibles, chew flesh like cannibals

Can't get the 2Pac out your box? Well I ain't mad at you

I'm here to serve all ears and pan the glory

And soon enough, Wrek's respect will be mandatory

Who's the man?

Recognize

I'm the motherfucking man

Recognize

I'm the motherfucking man

You know the program I'm the motherfucking man

Who is the man?

We got a man Hova board tryin' to be the overlord

But too young, inexperienced, he couldn't hold the cord

Went out on a manhunt tryin' to battle me

Tried to be the big man and ended up the manatee

I strike

?? and won

Five mics?

No, five million, some say that's high price

But my life is more than just a lucky sky hike

I'mma Mike Jack you out a window, fly a kite

Huh

So come get your beat down Beatnicks

We beat down weak kids for swearing that the game's set

But with the heat now we spit

Your team found we split the foe's flow and now hold a rain check

In Miami I'm the man you should see

For real hip hop drums to bring a man to his feet

D-J Spinna hooked the man with a beat

And your momma taught you manners so you could handle defeat

Who's the man?

[Ho

Yeah. DJ Spinna. Wrekonize. Miami's in the building. Who's the man? You know
