

## The Beginning

Wretch 32

He just came home, man, he just came home  
18 years old  
He just came home, man, he just came home  
18 years old  
They told him he was free, yeah  
But he headed straight to the bando  
They told him he was free, yeah  
But he headed straight to the bando

Ay, what's that snap, yeah  
Come on, gotta show them that your fresh home, innit  
Come on, man, you know man's back  
Back out the fuckin' workhouse  
In the fields  
2020 shit

But hear what I'm saying, my jenna  
I beg you line up the plug for me  
Cah I need to get back on my feet  
Fam, pattern up, man  
You just come like out two seconds ago  
Just slow your role  
Like, fuck that, I need them racks, B

They told him he was free, yeah  
They told him he was free, yeah  
But he headed straight to the bando
