

Visiting Hours

Wretch 32

If I trust you with my heart like I trust you with my car
I went rollin'
For you visitin' that was one implied to me
Oh, well, well
And every now and then we drift apart
But we never fall apart in the process
For you visitin' that was one implied to me

Oh, well, well

10P, icicle, yeah
No bricks, bicycle, yeah
Knock out some school, yeah (Lalalala)
And we were off of the food, yeah (Lalalala)
Fresh trim, Tiger mark up
