

# Explode

Written By Wolves

I've been chewed up and spat out  
I've been laughed at and booed  
Baby's been put in the corner  
It's time the corner was moved  
You see, I don't need no army  
Because this fight is my own  
But either stand up and join me  
Or surrender the throne

This time I'm set and I'm coming for you  
Won't take no for an answer  
Nothing you can do  
You can seal off the entrance  
Block off the road  
I won't stop till it's mine or I feel my heart explode

Now is the time  
I'm taking back what is mine  
You can try shut the door  
But you know I'll just tear down the walls  
(Feel my heart explode)  
Remember me  
As I go down in history  
So don't stand in my way  
If I have to then I'll take it all  
(Feel my heart explode)

Remember once it's been said  
That it can't be unspoken  
So let the next words you say  
Be ones that won't leave you broken  
The time to join me is ticking  
Away with each passing second  
This is your final warning  
Consider yourself as threatened

Time is up, here I come ready or not  
So get out of the way  
Or bring all that you got  
You can bar all the windows  
Encrypt the code  
I won't stop till it's mine or I feel my heart explode

It's the time  
I'm taking back what is mine  
You can try shut the door  
But you know I'll just tear down the walls  
(Feel my heart explode)  
Remember me  
As I go down in history  
So don't stand in my way  
If I have to then I'll take it all  
(Feel my heart explode)

This time I'm set and I'm coming for you  
Won't take no for an answer  
Nothing you can do

You can seal off the entrance  
Block off the road  
I won't stop till it's mine  
Or I feel my heart explode

Now is the time  
I'm taking back what is mine  
You can try shut the door  
But you know I'll just tear down the walls  
(Feel my heart explode)  
Remember me  
As I go down in history  
So don't stand in my way  
If I have to then I'll take it all  
(Feel my heart explode)
