

Goddess

Written By Wolves

You're like a goddess in disguise
I'm drowning slowly in your eyes
It's like you kill me by design
You're all I desire

You're like a goddess in disguise
I'm drowning slowly in your eyes
I could cross the great divide
But only you decide

Tell me you love me
Tell me you need me
Tell me that you never
Ever gon think about wanting to leave me

You're Aphrodite
God I'm in love
Time you ascend to your rightful place perched on your throne up above

Go and take your seat at mount Olympus
I'd do anything for you my temptress
Even if I'm innocent, I'd confess
Kill to watch you undress
Feel your body close, pressed

Up
Against
Mine
Heart
Beats
In
Time

Feel your chest rise
You're all I desire

You're like a goddess in disguise
I'm drowning slowly in your eyes
It's like you kill me by design
You're all I desire

You're like a goddess in disguise
I'm drowning slowly in your eyes
I could cross the great divide
But only you decide

Yea we're like
Romeo and Juliet
Montague and Capulet
Let them scream their threats
Let them all object
Let them get upset
I'd die right here and have no regrets
Cos I defy you stars
And I won't worship Mars
If it's a war they want
I'll disappoint because

You my only god
And we don't fight we love
On the stars above
I swear I won't give up

Tell me every single thing you need from me
I'd do anything for you my deity
Your wish is my command and I'm your slave you see
Give me my sin again you are my queen

You're like a goddess in disguise
I'm drowning slowly in your eyes
It's like you kill me by design
You're all I desire

You're like a goddess in disguise
I'm drowning slowly in your eyes
I could cross the great divide
But only you decide

Tell me you love me
Tell me you need me
Tell me you love me
Tell me you need me
Tell me you love me
Tell me you need me
Tell me you love me

Up
Against
Mine
Heart
Beats
In
Time

Feel your chest rise
You're all I desire

You're like a goddess in disguise
I'm drowning slowly in your eyes
It's like you kill me by design
You're all I desire

You're like a goddess in disguise
I'm drowning slowly in your eyes
I could cross the great divide
But only you decide
