

# Misery

Written By Wolves

(We can't just be made for misery  
We can't just be made for misery  
We can't just be made for misery  
We can't just be made for misery)

Who decided where the ambulance goes?  
Bottom of the cliff or did we let it explode?  
It's like we tried to spite our face  
So we cut of our nose  
Couldn't talk about it  
Now we're coming to blows

They made an offer that we couldn't refuse  
Gave us an inch  
And now we're destined to lose  
Now I'm reading fine print just for something to do  
Hoping beyond hope that there's a loophole or 2

(We can't just be made for misery)

There's just gotta be more than this  
Woah oh oh oh oh oh  
There's just gotta be more than this  
Oh whoa oh oh  
We can't just be  
Made for misery  
We can't just be

And now we're wandering this planet alone  
Trapped inside our minds and in our cellular phones  
Said we'd be connected but we're feeling disowned  
Forgotten, frustrated and fucken outgrown

And now we're wondering should we exist  
An existential crisis like a slug to the chest (at the top of the list)  
If we disappeared would we even be missed  
But we turn it into anger and we try to resist

There's just gotta be more than this  
Woah oh oh oh oh oh  
There's just gotta be more than this  
Oh whoa oh oh  
We can't just be  
Made for misery  
We can't just be

(We can't just be made for misery  
We can't just be made for misery...)

We can't just be  
We can't just be  
We can't be...

(We can't just be made for misery  
We can't just be made for misery...)

Is this it?

All there is?  
Collectively dying to exist  
Is this it?  
All there is?  
Cos if it is I don't want no more of it

We can't just be  
We can't just be  
We can't be...

Talk about your mind and then your fucken diseased  
Suck it up and carry on and then they're relieved  
But suffering in silence isn't how we should be  
We can't just be made for misery

There's just gotta be more than this  
Woah oh oh oh oh oh  
There's just gotta be more than this  
Oh whoa oh oh

There's just gotta be more than this  
Woah oh oh oh oh oh  
There's just gotta be more than this  
Oh whoa oh oh  
We can't just be  
Made for misery
