

Timebombs & Hurricanes

Written By Wolves

It starts like a landmine
And it ends with me lying face down on the ground
There's safety in phone lines and whispered I love you's that don't make a sound
See we're like a landslide
You can run all you want but you won't get away
I can't say that I've tried
'Cause you pull like a magnet
So I'm here to stay

You make me
Lose Control
The timebomb's ticking so
Have mercy on our souls
4, 3, 2
This place about to blow
Oh oh oh

It starts innocently
But somehow we know that it won't stay that way
See I know the ending
I can see the hurricane is coming baby bring it on I say
And scream that you want me
We'll turn the heat up to 100 degrees
Sound out a warning
Tell them that hurricane is coming better get out of the way

You make me
Lose Control
The timebomb's ticking so
Have mercy on our souls
4, 3, 2
This place about to blow
Oh oh oh

We are explosive yea I know
But baby I can't take it when you go
This love is like a hurricane
And I can't take it, I can't walk away
This happens when the two of us combine
Oh send reinforcements 'cause we'll cross the line
Our love is just so dangerous
I wouldn't have it, any other way

This place about to

You make me
Lose Control
The timebomb's ticking so
Have mercy on our souls
4, 3, 2
This place about to blow
Oh oh oh
