

## Tom In 03

WSTR

My girl look like max black  
I know you want that  
Smoking my blueberry weed  
I feel like tom in 03  
My girl look like max black  
I know you want that  
Smoking my blueberry weed  
I feel like tom in 03

What got you angry at me?  
Fuck you, your band and your scene  
You lot are unimpressive  
Talk nice but so deceptive  
Change your reality  
Quit bitching moaning jealousy  
You lot are unimpressive  
(Uninventive)  
Are you just mad cos

My girl look like max black  
I know you want that  
Smoking my blueberry weed  
I feel like tom in 03  
My girl look like max black  
I know you want that  
Smoking my blueberry weed  
I feel like tom in 03

Put me in overdrive  
Damn bro, I gotta curve you  
But I can't let shit slide  
Who writes those lyrics for you?  
Wrote this when I was high  
Must be frustrating for you  
Think when you speak next time...

I feel like tom in 03  
I feel like  
I feel like

Y'all look like silly motherfuckers  
You're in her DMs while she watch me get a dub ya  
Y'all act like bizzys undercover  
I'll just kick it with my girl and my brothers  
Y'all look like silly motherfuckers  
You're in her DMs while she watch me get a dub ya

My girl look like max black  
(She does)  
I know you want that  
Smoking my blueberry weed  
I feel like tom in 03  
(I do)...
