Until Then

WSTR

Think I'll sit this one out
My legs are not what they used to be
My head, my heart, they disagree
I've been having my doubts
It's all getting too much for me
It's all I have
It's all I am

The reckoning is a scary thing
I need you now

Would you stay if I go broke tomorrow?
Gotta bet, gotta steal, gotta borrow
All for you, hey if I don't make it through
Will you bury me, bury me baby?

Would you kindly sit down?
I'm not getting that used to this
The promised land in my own piss
I'm still fucking it up
Hell-bent on getting better
Will it stick one day?
Maybe never

The reckoning is a scary thing
I need you now

Would you stay if I go broke tomorrow?
Gotta bet, gotta steal, gotta borrow
All for you, hey if I don't make it through
Will you bury me, bury me baby?
Hit the rope, took a turn, would you follow?
If I brake, would you laugh? Would you wallow?
Should I stay? Would it matter anyway?
Will you bury me, bury me baby?

So this is me still playing pretend
Chilling at home with some invisible friends
Digging up all the forgotten songs we wrote last year
'Cause everything ends
(Everything ends)
Everything ends
(Everything ends)
If you just hold on, the rough will soon be gone my dear
Until then

Would you stay if I go broke tomorrow?
Gotta bet, gotta steal, gotta borrow
All for you, hey if I don't make it through
Will you bury me, bury me baby?
Hit the rope, took a turn, would you follow?
If I brake, would you laugh? Would you wallow?
Should I stay? Would it matter anyway?
Will you bury me, bury me baby?

Na-na-na-na-na-na-na
(My legs are not what they used to be)

Na-na-na-na-na-na-na
(Bury me, bury me baby)
Na-na-na-na-na-na-na
(It's all getting too much for me)
Na-na-na-na-na-na-na
(Until then)
