WSTRN

You know better
You know better (Said you know better now, yeah)
Oh, you know I love you better (You know I love you, bae)
You know better
You know better (Said you know better now, yeah)
Oh, you know I love you better (You know I love you, bae)

You was my shotty to the left of me (Shotty to the left)
I was all your girl's enemy (All your girl's enemy)
They know that I'm into you
But you know what you mean to me
And never be missin' what I do
Didn't have to say it, know you love when I slide through
Baby, you the first one that I ain't gonna lie to
This shit ludicrous, you just be movin' when I move

Just like that (Just like that)
Oh, just like that (Yeah)
Haters have some niggas
Put your head right back (Yeah)
I be seein' where them red eyes at
Oh, it gets like that (Like that)
Damn, that smile, hair, they're priceless (Price)
Salty hatin' bitches movin' spice-less (Spice)
Niggas watchin' me 'cause they ice-less (Ice)
Ain't never seen nothin' like this

#1 (#1)
It's us two but you be
#1 (1)
Lady, you should know you are my
#1 (#1)
It's us two but you be
#1
Lady, you should know you are my

My #1, come, come get lil' somethin', some
Like a drum, hit you up
Runner up, you comin' first, I ain't bustin' up
Fuck them niggas (fuck them) fuck them niggas (fuck)
Come and fuck with us
Swear you, I who you with
I love you more
I ain't much
Sometimes I trick, that's why I keep a card
Uh, you know you got my heart
So when I move, you move, that's how we finna start

Just like that
(Oh) Just like that
You could get on top 'fore your ex man call
You ain't built like that
You ain't built like that, no

Say even though I sing about it
This ain't no bull, I put a ring around it
Ring around the roses, got a pocket full of posers

All my cellular send to me on the regular
But if you hold me down on me forever
It's nothin' 'cause you
