(Do 4luv)

I'm a phone call away if you need me  
I told you this is the end of the beginnin'  
Oh, I always remember when I say that

You with a savage and a better gentleman  
Rollin' with the baddest drop-top, melanin  
Ho so classy, woulda been a legend in  
All eyes on we every time we steppin' in  
Callin', callin', callin' your phone  
We gang, you be up in my home  
Hennessy sippin', you ain't feelin' Patron  
Piffin' when you be in your zone

Na-na-na-na, no  
Bust it, bust it, bust it like a 48  
You know she there when my name is on the lineup  
She don't care 'bout Gucci, ain't no designer

Kickin' at the crib right after the diner  
Know I got the notes, baby, it's a minor  
Tryna get a M, why they move shady?  
Brand new Cartier sauce, man, it's all gravy

I'm a phone call away if you need me  
I told you this is the end of the beginnin'  
Oh, I always remember when I say that  
I'm a phone call away if you need me, baby  
(Back to the call-in line)  
This is the end of the beginnin'  
Oh, I always remember when I say that

Yeah, remember when I told you  
Don't be actin' like I don't know you  
Pick up the telephone, I've always never IOU  
Mad in your head, I've got this bread  
I've got this toast, you already knew that  
'Cause you've seen it in my hole through the back of the cap  
I get around just like the post do  
I keep it G like I'm supposed to  
Roll with me just like you 'posed to  
Lookin' fleek and so she pose too  
You post two pictures on the socials  
Now I'm like a new man  
And I ain't your old dupe, fresh off the plane  
This just in, them niggas old news  
Get 'em gone, that's a dope move  
They call me L, but I don't lose  
Get in ya ribs and give ya soul food  
Then rummage through your fridge for some cold juice  
Even for the year I was on bail, I still flown through  
I risked my freedom to console you, you know, stop

I'm a phone call away if you need me  
I told you this is the end of the beginnin'  
Oh, I always remember when I say that  
I'm a phone call away if you need me, baby  
This is the end of the beginnin'  
Oh, I always remember when I say that
