Come Around

WSTRN

In my zone, ay, ay

And they always know about the surges
She wan' me to beat it up but I'ma murder, I'ma purge it
When we pull up its skkrtings
Had my shorty all screamin' like "Hoo, hoo, hoo, hoo"
Swingin', we're the top right now
Heard they wanna come aroun' now
I drip in silence but I'm so loud
Heard they wanna come aroun' now

I'm on the juice, feelin' like 2Pac
Run and get a new bag, 'course I'm in new swag
Money in your head like a Naija man
And skis on your head like a durag
Wet, you said, they man, I said "you're so funny"
Raised in the trenches where it's so muddy
Don't ask about nobody that don't roll with me
If I pull up, your pretty take a stroll with me
I like big whips, brownskins and big breasts
Big cheques, no stress, they upset
Henny got me too lit, Amiri, it's a new fit
Pretty actin' dumb, she got a brain, I tell her "use it"

Got di ho goin' crazy yuh know
North side, East Side, "sell off", mi tell 'em
Got di gyal goin' crazy yuh know
South side, West side, "sell off", mi say

And they always know about the surges
She wan' me to beat it up but I'ma murder, I'ma purge it
When we pull up its skkrtings
Had my shorty all screamin' like "Hoo, hoo, hoo, hoo"
Swingin', we're the top right now
Heard they wanna come aroun' now
I drip in silence but I'm so loud
Heard they wanna come aroun' now

Uh, go crazy, yuh know (Woo)
Told her "give me face," she damn facety, you know (Ha)
It's like the ho kinda changed me
Right now my niggas sittin' down for a ooh, ooh, ooh, ohh
Yo, I need to hit them on the VO
I only show my line for a pico
My bitch bad, my bitch French, talk Creole
My Latin bitch always sayin' "Ay dios mio"
Yeah, top down now they come around
I don't truss you if you ain't been in my mother's house
Don't forget, I was there when my niggas run you down
Ting up only like we come from the underground

Got di ho goin' crazy yuh know
North side, East Side, "sell off", mi tell 'em
Got di gyal goin' crazy yuh know
South side, West side, "sell off", mi say

And they always know about the surges

She wan' me to beat it up but I'ma murder, I'ma purge it
When we pull up its skkrtings
Had my shorty all screamin' like "Hoo, hoo, hoo, hoo"
Swingin', we're the top right now
Heard they wanna come aroun' now
I drip in silence but I'm so loud
Heard they wanna come aroun' now
And they always know about the surges
She wan' me to beat it up but I'ma murder, I'ma purge it
When we pull up its skkrtings
Had my shorty all screamin' like "Hoo, hoo, hoo, hoo"
Swingin', we're the top right now
Heard they wanna come aroun' now
I drip in silence but I'm so loud
Heard they wanna come aroun' now
