

Grindin'

WSTRN

Yeah, I don't want no drama in my life
I just want all of my bros to shine, yeah
You be tryna take me outta light
They come on me, I just gleam too bright, yeah
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
Grind, grindin'

On my own, had no goal
Hit assailant, then we blow
She was cold, I was low
Bitch was ugly, now she glow
She a pro, she a pro
I was told she a pro
But she ran 'em, she a cobra
I was with my soldiers

Never had it all like you
Didn't wanna get no room
Standin' on my own two
Get you in a train like boom
Skrtrt in a four by four
Board in a two by two
Never had a roll like yours
Didn't wanna let mine through

Now I like it
Bitch, I'm righteous
I got Air Force
I got Nike ting
Think I like this
I be psychic
They can't right-click
They ain't like this

Yeah, I don't want no drama in my life
I just want all of my bros to shine, yeah
You be tryna take me outta light
They come on me, I just gleam too bright, yeah
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
Grind, grindin'

Yeah, yeah, with the gang, man, we fly
Limo tint, smokin' dank
With this bitch in the back
With my zipper in her hand
I be like, switch, I ain't mad
Got my freaky in my pants
Like tonight's gonna be like that
In and then I'm out 'cause I be
Grind, grind and shine, I been grind, grindin'
Where's shawty? Doin' bella mileage
In the M-way I be tight
Ay, it's a ménage à, bitch, gotta catch my breath

That's right
I don't need no drama in my life
I got two babies, we doin' fine, yeah
Got a publicist suckin' my click twice
Tryin' to feed the family, I'm providin'

Yeah, I don't want no drama in my life
I just want all of my bros to shine, yeah
You be tryna take me outta light
They come on me, I just gleam too bright, yeah
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
Grind, grindin'

Yeah, I don't want no drama in my life
I just want all of my bros to shine, yeah
You be tryna take me outta light
They come on me, I just gleam too bright, yeah
Grind, grindin', I stay grind, grindin'
Grind, grindin', I stay grind, grindin'
