

Never Leave

WSTRN

You get anyting you want
Anyting you need
All yuh haffi do is call out
I got you
You got me
But for you mi give it all up
You di real
You nut gwan like any gyal
Only you mi got
Mi coulda have many gyal
You noh half tuck in yuh belly gyal
Are you ready ready ready gyal
A you dat mi gain run to
Nobody do the tings how I touch you
Me are the one to
When you need me know mi gaan come Tru

My one you nuh see nah
Can't let go you ah keeper
Mi never waan leave you
Oh no nutten get between us

I'll never leave you girl
I'll never leave you girl
I'll never leave you girl
I'll never leave you girl

Ah you mi baby
Jump in di Mercedes
Anything you want yuh haffi get it you mi lady
You ah keeper
Gyal just put your feet up
Imma do exactly what you need you ah sweet one
Show her to my mumsy, Aunty Rashidah
Background checks no my dargys aint seen her
If she's sat down vex all I wanna do is sweet her
My sugar dumpling that's exactly why I need her
So I'mma put the work in, I'll make it worth it
If I don't answer the phone its cause I'm workin'
I will never leave you girl
I just wanna please you girl

My one you nuh see nah
Can't let go you ah keeper
Mi never waan leave you
Oh no nutten get between us

I'll never leave you girl
I'll never leave you girl
I'll never leave you girl
I'll never leave you girl

If this world were mine
I would give it up to you
I don't mind rain or shine
Girl you know I'm stuck with you
And you know because

All the time your on my mind
If I hold me down, I'll hold you tight now
Overstand I'm bonified
Don't tell me no lie
So tell me do you need me
(Tell me do you need me)
All of dem them feels
So holla baby you know its about time
I'mma hit you when I'm back from outside

My one you nuh see nah
Can't let go you ah keeper
Mi never waan leave you
Oh no nutten get between us

I'll never leave you girl
I'll never leave you girl
I'll never leave you girl
I'll never leave you girl

If this world were mine
I'll give It all to you
Your so sweet and fine
Baby you're my boo yeah

You're my keeper
You're my rider
Ah Ah
