Don't make me fall in
'Cause I don't put my all in
Special, special darlin'
Take it if you want it
Oh, so special

Mmm-hmm, grip on your waist, teacher
Mi kiss and caress you
Mmm-hmm, grip on your waist, oh mi teacher
Control the ting inside
If I fall too hard or make you cry for pride
Would you walk to me?

Would you do that all for me?
Would you risk it all, risk it?
If you leave me, you'll regret it
Your mistake, oh
