Foreign, foreign  
Foreign, foreign

In my zone ay yea yea yeah

Is this what you wanted  
Are you riding for your bro or are you stallin'  
I told her please don't bring your girl cos she's so boring  
Can't ignore that ring ring the money callin'

Oh oh oh  
They talking bout what they don't kno-o-ow  
And my baby drop it lo-o-ow  
I spoil her then I hit to ro-o-oad

Heard they wanna come back round  
Spun man  
Haters tryna love man now  
Gave me no attention, now she run man down  
Still with my brudda and we one man down

All my niggas need the pills  
Pull out game strong  
Ask my bitch she don't need a pill  
All my niggas pull out game strong  
You can see this still  
On the mains, hooded up  
Lift it up and shoot to kill

Big back so ro-o-ound

You can see her from the fro-o-ont  
She just wanna have fu-u-un  
Buss my nut I said o-o-owww

Buss it, buss it do-o-own  
Go and get a to-o-owel  
Then come wipe me do-o-own  
Come wipe me down

When we was young and we was on our own  
I told my momma I'm a rolling stone  
She told me this ain't what she wanted  
Said I'm sorry then Im skrrting off in foreigns
