

Wait For Me

WSTRN

Sawa

Oh my baby would you answer?
If I never had the mulla
If it wasn't for the german (scrrrr)
Would you be calling me your man?
I know you wait for
If I if I
They lock me up would you
Miss my miss my
Back in da bueno
Sweet like crystal
You leave this love go
Make me bitter
Yeah
So tell me how you feel
I just need to know that everything you say is real
Can you keep it real?
Can you keep it real?
Tell me, tell me, tell me, tell me

Would you, would you, would you, would you
Would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?
Would you, would you, would you, would you (ok, ok, ok, ok)
Would you, would you wait for me? (hey)

Yeah
Baby would you wait for me?
Would you open up the door if it was late for me?
Oh
Would you runaway from me?
Would you get down on your knees
If I say pray for me? (ehh)
Beg you don play with me
If you gimme one hundred, you'd get the same from me
But if you gimme fifty, you best be happy with this quickie
Amma put ya, put ya, put ya respect for life
Would ya, would ya (ehh)
I know you climax baby now wait for me

Would you, would you, would you, would you
Would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?

Oucha back
Make you get alla dat (alla dat)
Alla dat she a get plus the vat
Bamballads make you catch heart attack (heart attack)

Heart attck, tell me if you take all from me (take all)
Baby would you be all on me? (all on)
Typa green can't grow on trees
Kinda life don't come for free
Ohh na na
But if you were my girl
Would you, would you
I could give you the world
Would you, would you, would you
Should you hold it down for me girl

Would you, would you, would you, would you
Would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?
Would you, would you, would you, would you
Would you, would you wait for me?

If no then it's fuck you (fuck you)
If I don't wanna know you (know you)
When they try sell, I never sold you (sold you)
I tried to feed you, you never no full (no full)
How you try eat me like the vulture (vulture)
Pain my heart and you never tell sorry (tell sorry)
Best by the order from the jungle (jungle)
On time used to fighting battles
Hol am
Darling gimme patience for me
Would your love let me breathe? (zoom)
If I give you A, would you vibe let you Be (zoom)
If I show you B, would you eyes let you Cee
Through the dancinery (yeah e yeah)

Would you, would you, would you, would you
Would you wait for me? (yeah e yeah)
Would you, would you, would you, would you
Would you, would you wait for me? (yeah e yeah) I wanna wait
Would you, would you, would you, would you
Would you, would you wait for me? (I wanna wait my baby)
Would you, would you, would you, would you
Would you, would you wait for me? (I wanna wait my baby)
Wait for me
You wait for me
Would you for me
You wait for me
Wait for me (A, B, C, U, Z) I'm gonna wait
You wait for me (I'm gonna wait) A, B, C, U, Z
Would you for me (I'm gonna wait) A, B, C, U, Z
You wait for me (I'm gonna wait my baby yeah) A, B, C, U, Z
