

# Eyes A Bleed

Wu-Tang Clan

Yeah yeah! YEA YEA YEAH!

Lawd a mercy

Well I and I a old herbalistic, and

This one is very enthusiastic because the world say dem want it, and

I-ses and praises to whosoever plant it, I gotta chant it

Well!

Smoke the weed so til me eye dem a bleed

And if I can't get the chronic, well the Killer a leave

Alaska and di skunk, I smoke dem deh by di trees

Hand me the weed because New York a freeze

Police smell mi weed and ah swarm me like bees

Dem nah get the stick, the dropped leaf or the seed

Well fi the weed, I have a personal greed

Alaska and the skunk, go get me dem please

I ask, who gonna be my sponsor?

Seh back this argument, say dem must legalize ganja

Believe a now me ask and never get any answer

Dem come wit cigarettes weh only give you lungs cancer, I heard

It give ya mouth bad odor

Some bwoy dem send fi needle and some snort the powder

Jamaica was brand as the land of ganja

A guy a look coke, send him go live a Colombia

Smoke the weed so til me eye dem a bleed

And if I can't get the chronic, well the Killer a leave

Alaska and di skunk, I smoke dem deh by di trees

Hand me the weed because New York a freeze

Police smell mi weed and ah swarm me like bees

Dem nah get the stick, the dropped leaf or the seed

Well fi the weed, I have a personal greed

Alaska and the skunk, go get me dem please

Wu-Tang sound control America

One operator, one selector

Wu-Tang sound control America

One operator, one selector

Those unaware would not knowledge the square

I linger in the air like smoke, but I'm there

Hard to di-tect yourself

When you can't see clear through the rapid feed, them collie weed?

Original ganja plant, dem bear seed, the aroma

Got me callin my connect, I need a donor

To lace me with pounds from Arizona, the elusive

Bounty and the Masta exclusive

Many entertainer want the chance to bust

But it's only with the Gods I trust, do I puff

Burnin bush from in front ho

Lampin on the Bay of Montego

To a far wind, bringin wallabee Clarks to the starvin

There's no escapin the soundclash

Gun fire shot, I make it hot at Sunsplash

Smoke the weed so til me eye dem a bleed

And if I can't get the chronic, well the Killer a leave
