

Mind Made Up

Wulf

It's funny how this shit we take for granted
Is bound to blow up in your face
I said it once before and I meant it
Me, myself and I went separate ways
Went separate ways
I didn't know just where to go
Where to run and where to hide
It took some time to realize
This life is mine, no compromise
It's funny how this shit we take for granted
I will let the sun shine on my face

I got my mind made up
And I ain't gon' stop
Gonna be on top
I got my mind made up (I got my mind made up)
I got my mind made up
And I ain't gon' stop
Gonna be on top
I got my mind made up

Ooh, ooh, ooh, ooh, ooh, ooh (ooh, ooh)
Ooh, ooh, ooh, ooh, ooh, ooh

Honey on her lips is what I tasted
But how it turned to bittersweet
Yet I don't think those days are wasted
Just gotta get up on my feet, yeah

I got my mind made up
And I ain't gon' stop
Gonna be on top
I got my mind made up (I got my mind made up)
I got my mind made up
And I ain't gon' stop
Gonna be on top
I got my mind made up

(Mind made up)
I got my mind made...
I got my mind made...
I got my mind made up
Two, three
(Mind made up)
I got my mind made...
I got my mind made...
I got my mind made up
Ooh, ooh, ooh, ooh, ooh, ooh (hey)

I got my mind made up
And I ain't gon' stop
Gonna be on top
I got my mind made up (I got my mind made up)
I got my mind made up (I got my mind made up)
And I ain't gon' stop (I got my mind made up)
Gonna be on top
I got my mind made up
