

Think About You

Wulf

Only think about you
Only think about all that we could do
Only think about you
Only think about, only think about

Wake up in the morning, man I had a shitty night
When the day is broken, I'm good
Dealing with distractions and the troubles in my life
There is only one thing I know

You got me going like
Oh
Everywhere I go now, all I see is your smile
Oh
And every single day, you're showing me the way

I only think about you
You got me dreaming of all that we could do
I only think about you
I only think about (I only think about)
I only think about you
Whoa-oh, whoa-oh, whoa-oh-oh-oh-oh
Whoa-oh, whoa, I only think about you

Today's the day I realize the things that we've been through
From now on I will only see good
I feel like I'm the only one who knows ya like I do
I just can't get enough of you

You got me going like
Oh
Everywhere I go now, all I see is your smile
Oh
And every single day, you're showing me the way

I only think about you
You got me dreaming of all that we could do
I only think about you
I only think about (I only think about)
I know think about you
Whoa-oh, whoa-oh, whoa-oh-oh-oh-oh
Whoa-oh, whoa, I only think about you
Whoa-oh, whoa-oh, whoa-oh-oh-oh-oh
Whoa-oh, whoa, I only think about you

Only think about all that we could do
Only think about you
Only think about, only think about

I only think about you
You got me dreaming of all that we could do
I only think about you (I only think about)
I only think about (I only think about)
I know think about you
Whoa-oh, whoa-oh, whoa-oh-oh-oh-oh-oh
Whoa-oh, whoa, I only think about you
Whoa-oh, whoa-oh, whoa-oh-oh-oh-oh

Whoa-oh, whoa, I only think about you
