

## Dudek

Wumpscut

Here standing at the gates of hell  
I'm asking what to do  
Should I deal with?  
Should I don't?  
No matter when decide to move

The heart of the dead man is throbbing in the net  
On my stroke  
On my stroke of live  
On my stroke of live  
On my stroke  
On my stroke of live
