

Aeroplane

Wunderhorse

I got an aeroplane in my backyard
Won't you come out for a ride?
I'll make you happy
I can make you smile
Open up those big blue eyes

I can't stand it
This feeling inside
I'm the, the beggar at the banquet
And I only want to waste your time

I got an aeroplane in my backyard
It's been grounded for some time
Broken wings and busted windows
Won't you come and, and make it fly?

I can't stand it
It tears me inside
I'm just the, the beggar at the banquet
And I only want to waste your time
I can't stand it
Don't leave me behind
I'm just your beggar at the banquet
And I only want to waste your time

Waste your time, oh
Waste your time
Waste your time
