

There are shipwrecks in the sea  
There are blossoms on the tree  
There's this little part of me  
That is you  
There are horses all in the flames  
They go racing down my veins  
There is beauty inside pain  
Inside you

Inside you  
Inside you  
Inside you

I will disappear myself  
I will become something else  
I will swallow all my filth  
If you'd like me to  
The cathedrals are on fire  
The cathedrals are on fire  
I have set them all on fire

Just for you  
Just for you

Love  
What are you trying to do?  
Love  
I've been waitin', waitin', waitin'

Just for you  
Just for you  
Just for you
