Did it move?  
Did I move you?  
Was there feeling?  
It felt so real  
Full of faith  
Like a baby  
Oh, so trusting  
An easy meal  
And you can stamp it out  
With beautiful insight  
And make it profound  
But it just hurt like hell  
Like hell

But that's just you  
Just your nature  
Beautiful nature  
Breaking my heart  
So when you've finally found  
What scares you completely  
Kicks you when you're down  
I hope it's really love

Love  
Love  
Love

Ooo  
It's a beautiful world  
Ooo  
It's a beautiful world  
Yes it is!  
It's a beautiful world  
Oooo
